SPEAKER MARVEL: Before we proceed it is my privilege to introduce to the Legislature 30 new fellows from a program known as L.E.A.D. and L.E.A.D. is a two year program of intensive training of the young agricultural leaders for tomorrow. It is designed to build a storehouse of leadership, an informed group of young men and women who can deal with the issues and the issues that affect Nebraska agriculture in its relationship to the whole state and the nation. Each year 30 young Nebraskans, primarily between the ages of twenty-five and forty, are selected as agricultural leadership fellows for the two year course of study. Three-fourths of them are from production agriculture. Other candidates are selected from the ranks of agribusiness. They must have demonstrated a strong leadership potential. It was my privilege along with Senator Wesely to spend two hours last evening at Nebraska Wesleyan visiting with this fine group and so will you please give a hand to members of the L.E.A.D. program and when you get an opportunity maybe you can visit with them so let's give them a hand before we start. Welcome to the Unicameral.
